## DETAILED ACTION

### *Election/Restrictions*

1.1. Restriction to one of the following inventions is required under 35 U.S.C. 121:

- I. Claim 1- 7 drawn to a multilayered power supply line, classified in class 361, subclass 794.
- II. Claim 8-15 drawn to a method of laying out a multilayered power supply line, classified in class 29, subclass 825.

The inventions are distinct, each from the other because of the following reasons:

1.2. Inventions II and I are related as process of making and product made. The inventions are distinct if either or both of the following can be shown: (1) that the process as claimed can be used to make other and materially different product or (2) that the product as claimed can be made by another and materially different process (MPEP § 806.05(f)). In the instant case) that the process as claimed can be used to make other and materially different product. For example, a multilayered power supply line without ground layer.

1.3. Because these inventions are distinct for the reasons given above and have acquired a separate status in the art as shown by their different classification, restriction for examination purposes as indicated is proper.

1.4. A telephone call was made to Mr. R.H. Berdo Jr. (Regis. No. 38075) on December 15, 2005 to request an oral election to the above restriction requirement, but did not result in an election being made.

Art Unit: 2841

1.5. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

2.1. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yuriy Semenenko whose telephone number is (571) 272-6106. The examiner can normally be reached on 8:30am - 5:00pm.

2.2. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kamand Cuneo can be reached on (571)- 272-1957. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
